

ORGANISING MEETING TO OPPOSE THE POINTS- BASED SYSTEM FOR IMMIGRATION

**Wednesday, 13 January, 5PM
RHB 142 (ground floor, main building)
Goldsmiths, New Cross SE14 6NW**

Why oppose the new immigration rules?

The new 'points based' immigration rules represent a serious threat to campus democracy and freedom of speech. They require non-EU students and staff to have biometric ID cards, involve demands on the financial background of applicants and mean that staff are obliged to report students to the UK Border Agency when they have not attended regularly. We feel these rules are unwarranted, undemocratic and unfair.

Let's build a campaign together. All welcome.
